

LYRICS for Harvard 45th Reunion Cabaret

THOSE WERE THE DAYS

Those were the days, my friend
We thought they'd never end
We'd sing and dance forever and a day
We'd live the life we choose, we'd fight and never lose
For we were young and sure to have our way
La la la la la, La la la la la
Those were the days
Oh yes, those were the days

I FEEL PRETTY (Paula Caplan & Collot Guerard)

I feel pretty,
I'm a 'Cliffie,
So I'm pretty *and* witty and bright!
And I pity
Any girl who isn't me tonight.

I feel 18,
Not 67,
It's amazing how vibrant I feel!
Aches and pains, yes,
That I try especially hard to conceal.

See the 'Cliffie right in that mirror there:
Forty-five years there I can see.
Wrinkles here and there,
Whiteness in the hair,
But I love to smile,
Think I still am me!

(over)

**We've hit roadbumps,
Taken our lumps,
Dealt with loss
And with grief
And tough stuff,
But we've joy
And of life we can't get enough!**

**We feel stunning
And entrancing,
Feel like running and dancing for joy,
For we're loved
By a pretty wonderful boy! ... or girl! ... or both! ... or celibate by
choice! ... or not!!!!**

EVERYBODY SING!!!

**We feel stunning
And entrancing,
Feeling like running and dancing for joy,
For we're loved
By a pretty wonderful boy! ... or girl! ... or both! ... or celibate by
choice! ... or not!!!!**

FINE FINE WINE

**Fine fine wine,
Better each year,
That's what we seem to be,
This Class of Sixty-Nine.**

**Give us time.
Wait till we're old,
Ninety or ninetyfive.
We'll be amazing.**

**What's the rush?
Where's the fire?
Let the secrets be revealed.
You can streak
'Cross the sky
But it's better far to be—**

Fine, fine wine, etc...

THE BEST OF TIMES

**The best of times is now.
What's left of summer is a faded rose.
The best of times is now.
As for tomorrow, well, who knows? Who knows? Who knows?**

**So hold this moment fast
And live and love the best that you know how.
And make this moment last
Because the best of times is now! Is now! Is now!**

**Now...
Not some forgotten yesterday.
Now...
Because tomorrow is too far away.**

[Repeat chorus]
